- Quality international educational experiences delivered since 1992.
- Teachers are highly-trained, government-certified professionals.
- As a public school system, programs are approved and accredited by the British Columbia Ministry of Education.
- Schools feature comfortable, well-equipped facilities and an extensive selection of courses.
- VIHSP's comprehensive support system fosters student success.

Location (Victoria, BC)

- Victoria is the capital city of British Columbia and second largest city on Canada's west coast.
- The city boasts the mildest climate in Canada and ranks among the sunniest cities in the country.
- Our location offers spectacular natural beauty and year-round outdoor recreation.
- Victoria is clean, quiet and friendly.
- Victoria is home to advanced learning, world-class sports, entertainment and culture.

VIHSP Homestay

- International students participating in the VIHSP Homestay Program will feel welcome, comfortable and secure.
- Homestays provide an invaluable, authentic insight into the Canadian way of life and opportunities to improve English language skills.
- Each homestay family is carefully screened by our program staff.
- Host families receive training and are supported and supervised by our homestay coordinators.

Academic High School Program

- This program is for high achievers, serious about their education and academic excellence.
- Students are fully integrated with Canadian students for durations of one or two semesters and all the way up to graduation.
- Instruction is based on the BC public school curriculum and includes the core subjects of English, mathematics, social studies (history), science, physical education and, if required, English as a second language.
- Instruction and support in English as a Second Language (ESL) supports our students in their studies and enables them to achieve English fluency.
- Students can tailor their studies to suit their individual interests and career goals.
- All courses are government approved and designed to prepare students for the challenges of continuing education or work.

Uplands Campus Academic Transition Program (ATP)

- The Academic Transition Program supports international students with their transition into the Canadian public school environment and high school graduation.
- Students may enter the program at any time within six weeks of the start date.
- Instruction is based on the British Columbia public school curriculum.
- Students will receive instruction in developmental English, mathematics, physical education and intercultural studies.
- The Program includes a variety of cocurricular and extracurricular activities in and around Victoria.
- Upon successful completion students are eligible for course credits and will be guaranteed entrance into the Greater Victoria School District.

Short-Term High School Experience Program

- The Short-Term Program is offered from mid-September to mid-June.
- International students may attend high school in Canada without interrupting their studies at home.
- Program durations of 6 weeks, or 2 or 3 months.
- Classes include ESL instruction and support (if required) and elective courses that include full interaction with Canadian students.
- Academic courses are available for those who would like an extra challenge.
- This program is designed for individual students and provides plenty of opportunity for interaction with Canadians at school, at home, and in the community.

Camp Victoria Summer Program

- Camp Victoria is offered in July and August each year.
- Students ages 12-18, may join the summer program on any Monday within the program period for a minimum of 2 weeks.
- Each week includes a minimum of 22 hours of class-based ESL learning, plus local cultural activities.
- Full-day local cultural activities occur each Saturday.
- Classroom instruction focuses on developing skills in reading, writing, listening and speaking with emphasis on communicative English for specific purposes.
