NO.1

This is Chengdu

Chengdu, known as “Rong” for short and dubbed “Jin Guan city” has maintained its name since the Qin Dynasty over 2,000 years ago. Located in the southwest of China, Chengdu is the habitat of giant pandas. It is a fast-growing modern metropolis in China that follows Beijing and Shanghai, and the only megacity in the world that provides a view of snow-capped mountains 5,000 meters above sea level.

Come to Chengdu to feel its vibe, have a unique trip and gain life experience.
