

VICTORIA

Academic Summer Program

The Academic Summer Program provides students with an excellent opportunity to continue their studies through the summer (July and August) and gain credits towards the BC Dogwood Diploma (graduation diploma).

- The Academic Summer Program (ASP) provides students with a blended-model of instruction that combines online learning with in-person support from from a BC accredited teacher. The design of the Academic Summer Program allows students to engage with BC curriculum and work at an individualized pace that allows for a quality learning experience.
- The ASP courses are worth 4 credits towards the BC Dogwood Diploma (graduation diploma).
- Students may select one 4 credit course with the possibility of enrolling in a second course per program approval.
- The Academic Summer Program is offered at Uplands Campus, an Education Centre located at 3461 Henderson Road, Victoria BC.
- Uplands Campus is the home of the Victoria International Education Team, a team of 30 Greater Victoria School District No. 61 educators and support staff dedicated to supporting international students.
- Uplands Campus is equipped with classroom technology packages, a digital media (ICT) laboratory. Laptops are available for student use. The facility also has a gymnasium for student use.
- Uplands Campus is situated next to the University of Victoria and Camosun College. It is surround by sports fields, golf courses, and is a 15 minute walk to the ocean.
- Grade 12 students who have graduated and wish to remain in Victoria over the summer may enroll in the Academic Summer Program for university preparation.
