

Student Accommodation Guidelines

VIHSP students are not permitted to live in independent accommodation.

All accommodation arrangements of students registered in VIHSP **MUST** be approved by the Program Director or designate.

Students under VIHSP guardianship must:

- Live in a Homestay assigned by VIHSP.
- Ask a VIHSP Homestay Coordinator for any changes.

Students having a guardian other than VIHSP:

- **MUST** have the Homestay approved by the Program Director or designate.
- May live with their parents while studying in VIHSP, but at least one parent **must** remain in the residence with the child(ren) for the duration of their stay in Victoria.
- Must advise VIHSP of the name of the parent (resident), mailing address, and phone number of their accommodation.
- Must advise VIHSP if the family moves and provide VIHSP with the new address.

In order to live with a relative or friend, that person must:

- Have legal guardianship of the student.
- Be a responsible adult (age 25+).
- Notify the International Program Office if the student subsequently plans to live with another relative or friend or to move to Homestay. Prior approval is required from the Program Director or designate.

Student Participation Agreement

Failure to abide by the preceding guidelines may result in dismissal from the Victoria International High School Programs of the Greater Victoria School District 61 and termination of the student's visa.

I have read, understand and agree to abide by the terms of the Student Participation Agreement.
